Forwards proposals in Respect of acquisition of certain properties for Widening the Gallanakatte Road at Jamkhed

—

The Late Minister for L S G during her visit to Jamkhed in 1941 ~~suggested~~ suggested the desirability of Straightening the Gallanakatte Road at the junction of Mandapet Road in Jamkhed town

2) The above work involved acquisition of certain properties at an estimated Cost of Rs 2750/- The Municipal Council Considered the matter at its meeting held on 27-5-44 and passed a Resolution to the effect that the Council has no objection to the proposed Straightening of the Road ~~Subject that~~ provided the P W D or Govt Road is vested Shall meet the Cost of acquisition

3) The Ex Engr, Jamkhed Division in his Report Dt 1-10-44 proposed the dropping of the ~~Govt~~ matter if the Municipal Council did not want to meet the Cost of acquisition as the proposal was to improve the approaches to ~~the~~ Mandapet

for the P.W.D to bear this charge.

4) Thereupon the Municipal Council
has resolved at its meeting held on 3-11-47
to request Govt to put through this
work at Govt cost as owing to
emergency need

5) The Dte has regard to the

2) The Balanakatte road (M N) (vide plan) from the junction with the new deviation road to the junction of Mandipet road in Tumkur is maintained by Public Works Department, even after the formation of the deviation road outside Tumkur town although the Mandipet road which was part of the Bangalore-Honnavar road ceased to be maintained by this department. Balanakatte road has to be classed as only a Municipal road Any improvement to this road as now proposed must therefore be a legitimate charge on Municipal Funds, as Municipality realise revenue by way of house and other taxes

3) Hence the cost of acquisition for improvements proposed to this road cannot be charged to State Funds

4) It may also be pointed out in this connection that latterly many Municipalities, particularly the one at Tumkur have been asking Government to bear many financial charges which legitimately should be met by them I am of opinion that a definite ruling may kindly be given by Government on such matters.

In chapter IX para 278B of the Municipal Manual, Part II Accounts (page 57) certain rules have been laid down in connection with the grant of money by Govt to the Municipal Councils for works relating to Public Improvements to Town and Minor Municipalities. It is stated therein that the grants should be asked for by local bodies only in regard to works outside the ordinary duty of the Municipality to execute, and which are of a special character, the cost of which cannot be fully met from the revenues of the Municipality. Instances of special works mentioned are, opening out congested areas, further extension of the town in the suburban area, construction or creation of new extensions, special cheap class houses, construction of suitable roads (tramways

Sir,

Sub Acquisition of certain properties for widening the balanakatte Road at Tumkur Town

---

I have the honour to forward herewith the file of record ending with the letter No H C 63/43-44 dated 6-11-47 from the President, Tumkur Town Municipal Council and to state that certain properties were proposed by the Land Acquisition officer, Tumkur for being acquired in order to straighten and improve the balanakatte Road at the Function of Mandipet, Tumkur as kindly suggested by the Minister for Local Self Government during his visit to Tumkur Town in November 1941 As desired by the Municipal council Tumkur the Executive Engineer, was addressed to meet the cost of acquisition of Rs 2750/- from the Public works Department funds as the road under reference belongs to Public Works Department

The executive Engineer in his letter No ~~112~~ 142 dated 1-10-47 has stated that as the proposal is for the improvement of the approaches to Mandipet and as it will be in the interest of the Municipality it would not be possible for the Public works Department to meet the charges

The Municipal council resolved once again on 3-11-47 requesting the Government for meeting the above charges out of Public Works department funds.

I also inspected the spot on 20-1-46 and found that the improvements to be absolutely necessary. As the entire road is under the management of the Public Works Department and as the Municipal council has several other items of expenditure to incur like, drainage, sanitation and water supply I request that sanction of Government may kindly be obtained the proposal and to instruct the Executive Engineer to execute the work.

I have the honour to be

Para 278 B Extract from Municipal Manual (Part II - Accounts) 6

(b) It should be clearly understood that the amount to be sanctioned by Govt is to be regarded as a grant-in-aid so as to supplement the sum which the Municipality has provided or can immediately provide for the work from its own sources The Mc Councils concerned should make contributions at least equal to the amounts allotted out of Govt grant

Note In special cases where the Municipalities are too poor to pay the contributions expected under the above rules, funds for works of an urgent nature may be allotted out of Town Improvement Grants, without insisting on contributions from the Municipalities Such grants should however be very rare and exceptional

(c) Whenever surveys of towns have to be made in connection with the preparation of projects for town improvements, water supply, drainage &c the cost of such surveys should be made the first charge on such grants Where no such grant is given to a Municipal Council, the cost should be met from the Municipal funds The Councils should generally be consulted as to the survey before it is undertaken

(d) The grants made by Govt will be out-right grants The Contributions of the Municipal Council, together with the Govt grant should be formed into a fund, earmarked for public improvements and be kept under a separate head in the accounts. It is not

merge in the General Balance of the Mc Connals
annual report of the expenditure incurred from
such grants should be submitted to Govt
(c) The Mc Council shall apply for funds to the
Dy Comm of the District concerned, who after due
consideration may sanction funds placed at his
disposal for Town Improvements The Mc President, will,
after receipt of sanction, present at the Treasury
a bill attaching to it a Copy of the order, and
a challan for credit to Mc funds The amount
so received and credited in the Treasury to the
Mc funds, will be shown in the accounts of the
Municipality under "7 - Public Debt 4(a) Public
Improvement Fund" The Contributions made
by the Mc Council will also be credited simultaneously
to that head by transfer adjustment - by debit
to (c) Grant for Public Improvement Fund
under "D Public Works Carried out by the Civil Dept
(b) A separate abstract register will be maintained
by each Municipality for the transactions relating
to Public Improvement Fund in form 8(A)

At the end of each month an extract
from the above register should be sent to the Comptroller
on or before the 10th of the succeeding month
This extract should be accompanied with
a statement of improvement works in form 8(B)

In the remarks column of the extract
relating to the month in which the grant is
received from Govt, the number & date of the

Subject - Acquisition of certain properties for widening Balankatte road in Tumkur town

==

Sir,

With reference to your letter No L 15987/M1 17-47-40 dated 20th April 1948 on the above subject, I have the honor to state that the Municipal Council, even after apprising them of the fact that Balankatte road has to be classed only as a municipal road and that any improvement to this road is therefore a legitimate charge on municipal funds, as the Municipality realises revenue by way of house and other taxes, have resolved in their meeting held on 29-6-1948 that the road does not belong to Municipality and that it belongs to the Public Works Department and that therefore the cost of acquisition cannot be borne by them The resolution of the Municipal Council is enclosed herewith for kind perusal

As the widening of Balankatte road in Tumkur is of absolute necessity it is a point for kind consideration, whether the Town Municipal Council, Tumkur may be directed to meet the cost of acquisition of properties required for the widening of the road in question or to meet the cost referred to above from Government funds
